

**Pacific Crest Savings Bank is once again a proud sponsor of the
2009 Snohomish County YWCA Benefit Luncheon**

Since 1989, the YWCA Benefit Luncheons have inspired thousands of generous individuals to participate in solutions that support a healthy community and have raised more than \$15 million to date. Every dollar raised at the Luncheons helps women and children in our community avoid homelessness, find jobs, obtain health care, build life skills, foster leadership and develop the confidence they need to lead more successful lives.
